Re: Septic Tank Pumping Voucher Program Discontinued

Dear Greenstone Resident,

At the January 31, 2022, regular meeting of the Greenstone Country CSD, the Board voted unanimously to discontinue the voucher program for septic tank pumping effective July 1, 2022. It was the opinion of the Board that CSD funds should be used in a more equitable manner to benefit all Greenstone residents and support ongoing community interests such as culvert repairs and security. Annual inspections will continue as usual, and you will still be notified if your system needs pumping and/or repair(s). If you have any questions or concerns, please contact the Greenstone CSD Office at: 530-622-3755. Greenstone CSD office hours are remote on Monday & Wednesday from 9am-3pm, and in-person on Tuesdays from 9am-3pm.

Sincerely,

Shelly Greene, General Manager
